Plaintiff David Linder, has filed a document entitled Motion for Expungement of Lis Pendens From All Databases Justice Ct. Nev Case #99F05959X” (docket #22) which indicates his desire to have his criminal record expunged. This matter is a civil rights complaint brought by Linder against the officers who arrested him in the same criminal transaction. The complaint has been dismissed and the Ninth Circuit Court of Appeals has denied relief. The case has been closed.

After a review of the newest submission the court determines that the motion is not related to this civil action. Thus the motion shall be stricken from this action and the clerk shall be directed to open a new and separate action to address the issues presented in Linder’s motion.

IT IS THEREFORE ORDERED that the “Motion to Expunge Lis Pendens from All Databases” (docket #22) shall be stricken from the record in this matter.

IT IS FURTHER ORDERED that the Clerk shall file the motion in a new and separate action and shall advise the plaintiff of any filing fee which is due.
